

DECLARATION OF INTENT

Notice and Demand

To: All Oathtakers of the State of California,

I, _____; a physical indigenous inhabitant of California State, having reviewed and understood the attached dispositive peer documentation and validity of source of same; regarding the dangers of the Smart Meter to my health and privacy implemented by Pacific Gas & Electric, San Diego Gas & Electric, Los Angeles Department of Water & Power, Southern California Edison, Sacramento Municipal Utility District, et al., and any subsidiaries thereof, under the directives of the International Council for Local Environmental Initiatives, North American Water and Power Alliance, MITRE, Department of Homeland Security, United States Department of the Treasury, U.S. Treasury Department Internal Revenue Service, and/or any other agency, non-governmental organization, corporation, accessories or assigns, order and demand that a statewide ban on the installation and use of these biohazards be implemented immediately. This empirical evidence establishes a mandate for purposes of quo warranto to compel the above-said oathtakers to remove such toxic materials from the environment. Any refusal to do so within the next thirty (30) days constitutes an abandonment of office for failure to protect the inalienable rights of the people as mandated under Article I Section 1 in light of the mandate of Article II Section 1 of the California Constitution which prescribed the primary purpose of government is to protect the rights of the people. Govern yourselves accordingly.
